SUMMARY

I'm a hands-on full-stack developer passionate about building practical, user-friendly web applications. I have extensive experience with the MERN stack (MongoDB, Express, React, Node) creating responsive and scalable solutions. On the front end, I craft clean interfaces using HTML, CSS, Tailwind, and Bootstrap, and on the backend, I build secure and efficient APIs. I am proficient in Git, GitHub, Postman, and npm, and have a solid foundation in Java and Python, allowing me to approach problem-solving with a broad perspective.

SKILLS

| | |
|----------------------|---|
| Frontend | HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS, Bootstrap |
| Backend | Node.js, Express.js |
| Database | MongoDB |
| Languages | Java, Python, JavaScript |
| AI | Microsoft Azure AI Essentials, AI API Integration |
| Tools & Technologies | Git, GitHub, REST APIs, JSON, npm, Postman, JWT |

PROJECTS

Skill4Skill – Online Skill Exchange Platform

skill4skill.tech

- Architected a full-stack MERN (MongoDB, Express, React + Vite, Node.js) application for a gamified, community-driven skill exchange.
- Integrated AI-powered features (AI-assisted posting, in-app assistant) via third-party AI APIs.
- Engineered secure Google/OTP authentication with JWT for session management.
- Built a core messaging system with swap proposals (credit or direct) and a gamified ecosystem (leaderboard, contests).

EXPERIENCE

Fullstack Developer (*Nord Bank (startup)*)

Feb 2025 - May 2025

- Engineered a scalable application architecture, integrating front-end and back-end technologies to enhance user experience.
- Built and integrated secure JWT-based user authentication with role-based access control in a React + Node.js fintech app.

Campus Ambassador (*Internshala*)

April 2025 - May 2025, Remote

- Promoted Internshala's programs to 50+ students and orchestrated on-campus awareness campaigns, increasing engagement.

EDUCATION

| | | |
|-------------|---|--------------|
| 2023 - 2027 | B.Tech in Computer Science and Engineering at Srinivas University Mangalore | (CGPA: 8.52) |
| 2023 | Pre-University (Science) at Prarthana PU Science College Bagalkot | (83.3%) |

CERTIFICATIONS

Microsoft Azure AI Essentials (*Microsoft and LinkedIn*)

2025

- Validated foundational knowledge of Azure AI services (ML, NLP, Computer Vision).

Advanced MERN Development (*Skillsoft (Credential ID: 143521228)*)

2025

- Validated expertise in building full-stack MERN applications.

Data structure and algorithm (*Great Learning*)

2024

- Demonstrated foundational knowledge of core data structures and algorithms.
